**INFORMATION ON THE "DARMASISWA" PROGRAM OFFERED BY
THE GOVERNMENT OF THE REPUBLIC OF INDONESIA**

I. INTRODUCTION TO THE DARMASISWA PROGRAM

Darmasiswa is a scholarship program open to all foreign students from countries with which Indonesia has friendly relations to study Indonesian language, art, music and crafts. Participants can choose to study at any of the state universities and colleges participating in the program.

The main purpose of the Darmasiswa program is to foster and encourage interest in the language and culture of Indonesia among friendly countries. It was also designed to reciprocate scholarship programs by other countries for Indonesian citizens and provide stronger cultural ties with these nations.

The Darmasiswa program is essentially a "non-degree" program undertaken within 6 month or a year. Its participants are prohibited from doing research, engaging in any political and/or business activities, which may result in destabilizing programs or lead to personal profit/gain.

During the course of the program, participants are strongly advised against making any changes in their place or study and/or university.
